AUTHENTIC TELUGU CUISINE
— SINCE 2003 —

For over 17 years now, Rayalaseema Ruchulu has been a leader in bringing homely Telugu cuisine to a comfortable restaurant setting. Uttam Reddy started Rayalaseema Ruchulu in 2003 with the vision to bring his grandma's kitchen stories to life. With six locations across Hyderabad, Rayalaseema Ruchulu is one of the first names that comes to mind for authentic Andhra, Rayalaseema, and Telangana cuisine.

As diverse as the Telugu culinary tradition is, each dish on the menu is distinctly flavourful and brings us closer to our roots. Handpicked spices, farm fresh ingredients and the experience of delivering exceptional cuisines with warm hospitality, makes it an ideal place for bonding over food.

Sourcing and tracing our ingredients from local farmers and farms has been a daily practice at Rayalaseema Ruchulu. The Farm to Table philosophy has been among the core principles even before the concept became a buzz word. This not only ensures quality standard but also helps maintain taste consistency.

Every time families and friends come together to dine at Rayalaseema Ruchulu, they are treated with the utmost warmth and the experience of nostalgia in every bite. It is customer delight and satisfaction that has led to the successful growth of the brand over the years.
